

Recessed mounted distributors V2A

In general

The newly developed recessed mounted boxes are convincing by their visually appealing and highly robust design.

Product characteristics

- Stainless steel, grinded
- Elegant cable outlet flap, lockable
- Built-in equipment according to requirements
- Feed-in cable covered
- Doors can be closed when plugged-in

Material thicknesses

	Housing	Door
Recessed mounted housing	2mm	2mm

Stable doors

The doors can be easily replaced and are mounted on robust hinges. In combination with the double-edged execution the doors are vandal-proof.

Doors

Our doors can be equipped with:

- Casement locks
- T-handles with/without security cylinder insert
- KABA lock cylinders
